DISCOVER NEW LIFE FORMS

Dare to launch your dev career fast

Are you one of the six sharp minds who will expand the digital realm?

The mission of last year's internship continues by finding **NEW LIFE FORMS** that have the potential to **EXPAND THE UNIVERSE OF TECH** into something never seen before.

Do you have what it takes?

- **social adaptability**
- **technical ingenuity**
- **cultural exchange openness**

What happens if you make it through the gates?

You will grow fast through the expertise of your dedicated mentors via

Two weeks of intensive training

Four weeks of intensive coding

Through what will you be able to expand the digital realm? Through a tool of your choice:

Mobile (React Native)

Backend (NodeJS)

Frontend (Angular)
