

A promotional image for a software internship. It features a car, possibly a Volvo SUV, with a digital overlay of code and circuitry. The image is split vertically: the left side is blue and the right side is orange. The text 'C#, C/C++, JS, Python, Elixir' is at the top. 'Summer Software Internship' is in the center. '2022, July - September' is at the bottom. A green banner at the very bottom contains a logo and application information.

C#, C/C++, JS, Python, Elixir

Summer

Software Internship

2022, July - September

Apply to the [Software Intern position](#) before April 22!

Brain Teaser

Using only two 8s and two 3s, along with basic math operators (+, -, *, /, parenthesis), write an identity equal to 24.

You know the answer and would like to join our Software R&D in Cluj?

Send it along with your application to the [Software Intern position](#) before April 22!
