Join Our Paid Summer Internship

What's in it for you?

You will work on **real projects**, **find mentors**, and **earn good pay** while learning valuable skills. You will **design and develop** functional and performance enhancements for our large-scale real estate products, that make life easier for millions of people.

Our **Product Development Department** (counting over 100 members) has many opportunities to offer so this **could possibly turn into a long-term collaboration**.

What Do You Need To Know?

This program is open to **fresh graduates or students** who are currently enrolled at an accredited university in Cluj-Napoca in their **2nd, 3rd or 4th year of bachelor's, master's or Ph.D. studies**.
