QA/DEVELOPMENT
PAID SUMMER INTERNSHIP 2022

UMT Software

CAREER ORIENTATION

Your professional start and growth will be guided by dedicated mentors.

CAREER PATH

Our team will provide you with guidance and support in making your school-to-work transition according to your personal career goals.

CELEBRATE ACHIEVEMENTS

We will cheer for you on each milestone reached. This is an important moment of acknowledgment which will give you an awesome boost for your next step of the journey.

"For the last 15 years we have been leading the way in helping enterprises employ new technologies for their management processes. We are building products that enable their employees to work smarter and faster. Join us to see where this path will lead to."

IONUT NECHITA
UMT Software General Manager

Get the right direction in your future career with UMT Software, and you will never stop exploring!
Throughout our Summer Internship you will learn how to deliver the best solution together with the UMT Software scouts, alongside a real adventure in diverse new and exciting areas.

DEVELOPMENT
INTERNSHIP

"An internship is a great opportunity to have an insight in our company culture, not just technologies. Our experienced mentors will teach how to build an app with **asp.net, mssql** *and* **react** *from scratch. Teamwork is a must, so all interns will work together just as our product teams do. Apply to book your chance for a great learning experience!"*
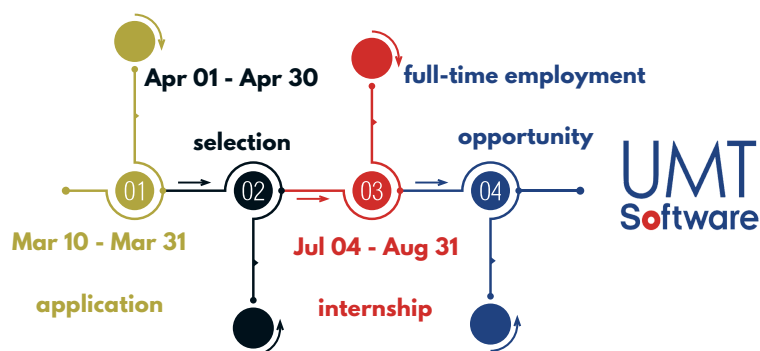

SEBASTIAN TAUTAN
UMT Software Development Team Lead

QA
INTERNSHIP

"Quality Assurance is so much more than what it is advertised to be. At least the way we do it. Join our internship to see what being a software explorer really is about. From learning to **navigate** *the user interface, the algorithms and the database of an application, to* **scripting** *and* **automating**, *you'll be able to use your full range of skills in rewarding and satisfying ways."*

RALUCA DUDILA
UMT Software Quality Assurance Team Lead
