

OpenEdge Pre-Employment Training

Join a community that learns, builds,
and succeeds as one.

8 weeks, 6h/day, starting July 20

wayfare.academy

WE ARE LOOKING FOR:

Final-year students or recent graduates,
ready for a full-time job,

With practical experience (internships,
competitions, personal projects);

Reliable, responsible and committed to
delivering quality results;

Curious about databases, back-end
development & enterprise applications.

YOU WILL LEARN:

To build software that powers real businesses using
Progress OpenEdge technology.
